

Newsletter

February 2018

The Journal Usage Statistics Portal (JUSP) is a Jisc-funded service that provides a “one-stop shop” for libraries to view, download and analyse their journal, book, database and platform usage reports from multiple publishers.

- 2017 community survey report
- 3 colleges join JUSP
- COUNTER annual general meeting
- New annual summary book report
- KB+ workshop
- JUSP update and Q&A webinar

2017 community survey report

The report from the 2017 survey is now available on our website: <http://jusp.jisc.ac.uk/docs/JUSP-community-survey-2017.pdf>.

In response to a request we have made an enhancement to the “individual journal report” which now breaks usage down by academic years as well as calendar years. You can find a guide to the report here: <http://jusp.jisc.ac.uk/guides-to-reports/journalsearch.html>.

There were also requests for more support and training for new users so look out for new support materials and guidance over the next few months.

If you have any feedback or questions about JUSP we can be contacted through the Jisc helpdesk, help@jisc.ac.uk, at any time. When contacting the helpdesk remember to mention JUSP so that the enquiry can be quickly passed to us.

3 colleges join JUSP

Welcome to the three colleges that joined JUSP in February: West College Scotland, Sussex Coast College Hastings and Chesterfield College.

COUNTER annual general meeting

COUNTER is a non-profit organization providing the Code of Practice that supports publishers to supply the standardised usage reports that JUSP gathers. COUNTER’s annual general meeting outlining activities and plans for 2017/2018 will take place during the UKSG Conference in Glasgow on Monday 9 April. COUNTER members are invited to join in person or online. An agenda and the annual report to members is available from the COUNTER website <https://www.projectcounter.org/annual-general-meeting/>. A full list of members can be viewed here: <https://www.projectcounter.org/about/members-list/>.

JUSP is funded by Jisc

KB+ workshop

KB+ are running an advanced workshop in London on 21st March which will provide an opportunity to find out more about KB+, try out some practical exercises and meet some of the KB+ community.

For more information and to register see:

<https://jisc.onlinesurveys.ac.uk/advanced-workshop>

New annual summary book report

We have released a new “Annual summary (from BR2)” which shows BR2 totals for each publisher for the selected calendar year. It is the calendar year equivalent of the existing “SCONUL return (from BR2)” report which shows a summary by academic year. A guide to the report is available here: <http://jusp.jisc.ac.uk/guides-to-book-reports/annualsummary.html>.

All reports are developed in response to community requirements so if you have a suggestion for another summary book or database report that you think will be of benefit to the JUSP community, please let us know.

JUSP update and Q&A webinar

On Thursday 1st March at 10:00 we will be running our first JUSP webinar of 2018 – ‘JUSP update and Q&A’. There will be a presentation from the JUSP team and an opportunity to ask questions about any aspects of the service. For more information and to register please see: <https://www.jisc.ac.uk/events/jusp-update-and-ga-01-mar-2018>.

The webinar is free to attend and a recording will be made available after the event.

Recordings of previous webinars are also available on our website:

<http://jusp.jisc.ac.uk/events-training/>
